## What is the County Employee Pollworker Program?

The L.A. County Employee Pollworker Program (CPP) was developed in response to a nationwide pollworker shortage. The program enables County employees to serve on Election Day as a pollworker while still earning their regular daily salary. Approved as a permanent program in 2001 by the Board of Supervisors, the CPP has grown every year and has proven to be a great success.

## Who can be a County Employee Pollworker?

A County Employee Pollworker must meet the following requirements:

- Employee of L.A. County
- United States Citizen or Legal Permanent Resident

- Has supervisor's approval

"The strength of our Democracy lies in each one of us. Your leadership in volunteering as a County Pollworker keeps our nation strong and the promise of freedom alive for everyone to enjoy."

-Supervisor Don Knabe,  
Fourth District
